## Welcome Home!

If BCMC week is the structure, then BCMC Build is the entryway, setting the tone as our industry comes together to help a neighbor in need. It's an influential event that you won't want to miss. We're excited to be partnering with Operation FINALLY HOME again this year as we plan to build a home for a wounded United States Veteran in the Knoxville, TN area. BCMC Build is honored to work with an organization that helps to rebuild the lives of wounded service members. Coming together as a group to donate time, materials, money, and hard work has proven to be just as powerful for our industry as it is for the families we help. Together, we Build Communities and Make Connections and help to rebuild the life of a courageous United States Veteran.
